MEMORANDUM FOR: Deputy Director of Central Intelligence
THROUGH: Deputy Director (Support) *SI R KW*
SUBJECT: Proposed Junior Officer Training Program
with U. S. Marine Corps

1. This memorandum transmits for signature by the Deputy Director of Central Intelligence a proposed agreement with the U. S. Marine Corps for joint Agency and USMC participation in the Junior Officer Training Program.

2. Basically, this agreement would permit the Agency to select and enter certain young men in the Marine Corps for a three year period of active duty. Each individual would spend the first year in the Marine Corps Officer training program; the second year would be served as a Second Lieutenant with the Fleet Marine Forces; the third year would be spent as a Marine Corps Officer detailed to the Agency. Upon completion of his one year active duty with the Agency, he would be released from Extended Active Duty, but would retain his Reserve Commission. The Agency would reimburse Marine Corps for his services only during the one year he is actually detailed to the Agency in an active duty status. This plan has been coordinated with the Office of Training and informally with Marine Corps officials.

3. It is requested that you sign both originals of this agreement and return all copies to this office for hand-carry to USMC Headquarters.
